Create unique parties with a personal touch!

Chalkboards: Buy a framed picture at Goodwill (1). Pop out the glass and spray it with three coats of chalkboard paint. Paint the frame with a color of your choice. Then, reassemble the picture and write a welcome message. It's that simple! You can also use the chalkboard as a menu, a running grocery list, or as a messaging center for the family!

Glasses: We've solved the age-old problem of the wine glass shuffle! Buy some wine glasses at Goodwill (2). Put a plastic bag over the glass and tape it about 1/2" up the stem from the base. Then spray the base with chalkboard paint. Voila! Guests can now write their names in chalk (3).
