Do you love the thrill of finding great deals at garage sales? Then you'll love our Outlet Worlds! At Goodwill Outlet Worlds you'll find electronics, toys, household items, clothing, books, collectibles and more at deep discounts. It's Goodwill shoppers' last chance to purchase goods that haven't sold in our retail stores. Best of all, like our retail stores, proceeds from the sale of the items support [community](#)

programs for at-risk youth, struggling adults and individuals with disabilities.

### How does it work?

Goods are sold out of large blue bins sorted by type of item (clothing, books, accessories, etc.) and different bins are rotated every half hour to keep merchandise fresh. There are also larger items like televisions and furniture for sale.

**At Outlet World you pay by the pound.\*** The price-per-pound drops the more pounds you purchase. (For instance, you might pay \$1.49 a pound for up to 10 pounds and 79¢ a pound for 50 pounds and above.)

### Be prepared for a unique experience!

Shopping at Outlet World is definitely a one-of-a-kind experience! It's a sight to see when its time to roll out the new bins. Savvy outlet shoppers know its first come, first served and they're waiting eagerly for the new bins to lock in. You may even see a few running from bin to bin for a better chance to be the first to find an overlooked treasure. Your mission: to find that great deal first!

At Outlet World, you can pile on the pounds without piling on the guilt. It's all gain. No pain. That's [The Goodwill Effect](#).
