

Social Media Posts for the TeleTech Community Foundation

Pay it Forward Friday campaign

Post 7-6

Pay it Forward Friday: Over the years, we've provided over \$41k to support the Junior Achievement in Colorado. Most recently, our employees were awarded a grant from the TeleTech Community Foundation that helped 160 low-income, elementary school students learn valuable skills like workforce readiness and financial literacy. No wonder JA alumni start businesses at a 2.5% higher rate than the general U.S. population. #TTECValuesInAction at its finest! #ExperienceTTEC.

Post 7-13

Pay it Forward Friday: Thanks TTEC employees for helping the Boys and Girls Club of Hopkinsville, KY break ground on a Courtyard renovation project at their new Teen Center, which serves youth and teens in need with programs focused on academic success, healthy lifestyles and character development. Funds from the TeleTech Community Foundation will provide a positive place for teens to hang out, build confidence and have fun. #TTECValuesInAction. #Experience TTEC.

Post 7-20

Pay it Forward Friday: At TTEC, employees get to choose where our Foundation money goes and in Morgantown, WV, they put it to good use. Employees not only made a donation to the Ronald McDonald house, where family members of critically ill children stay while their loved

ones receive medical treatment nearby, they also came together to fix lunch and fix up the game room. Now that's what we call #TTECValuesInAction! #ExperienceTTEC
