

Subject: Together, we inspire youth to stay in school

Dear Sandy,

Recently, I emailed you about Andreina, a teenager who was surrounded by friends and family who struggled with dropping out of high school and teenage pregnancy.

While participating in a Goodwill class at her school, Andreina was inspired by a career panel of volunteers who helped her to see possibilities beyond those she was exposed to growing up. She was given further assistance from a Goodwill mentor and other Goodwill resources that helped put her on a path to success. She is now in college studying to be a paralegal!

It is thanks to our donors that Andreina was able to receive this assistance and, together, we can give more youth the confidence and tools they need to have a successful future. Please give the gift of hope to an at-risk youth this holiday season:

- Donate \$100 today to give a student like Andreina a mentor.
- Donate \$60 today to provide a student with career exploration opportunities such as a job shadow experience or a career fair.
- Donate \$35 today to help a student prepare for a college scholarship interview.

Be a part of it and [give today!](#)

Any amount you donate will make a difference. Thank you so much for your support.

Happy Holidays,

Jesse Wolff
